#### A. Hospital Information:

##### 1. General information

- Name of the hospital: Dr. Panjabrao Deshmukh Memorial Medical College & Hospital Research Centre, Amravati.
- Number of beds registered as per BNH act: 830
- Total construction area in square meters: 65948.08 sq.mtr.
- MPCB clearance: Yes/No
- Fire audit/clearance: Yes/No

##### 2. OPD

| Sr. No. | Item                                                  | Details          |
|---------|-------------------------------------------------------|------------------|
| 1       | OPD Timings                                           | 8 a.m. to 3 p.m. |
| 2       | Separate Registration areas for male/female, OPD /IPD | Yes available    |
| 3       | Are the Registration counters computerized            | Yes              |
| 4       | Number of registration counters                       | 14               |

Assessors to obtain and attached printout of the OPD/IPD details from computerized system of at Least 10 randomly selected dates over previous one year.

##### 3. Casualty:

| Sr.No. | Particulars                                                | Required as per MSR | No. available |
|--------|------------------------------------------------------------|---------------------|---------------|
| 1      | No. of Teaching Beds (excluding ICU Beds & Emergency Beds) | 30                  | 30            |
| 2      | Separate Casualty OBGY beds                                | 05                  | 05            |

| Sr.No. | Particulars                    | Required as per MSR      | No. available |
|--------|--------------------------------|--------------------------|---------------|
| 3      | Central Oxygen & suction       | As per clinical workload |               |
| 4      | Monitors                       | As per clinical workload | 30            |
| 5      | Ambubag                        | As per clinical workload | 05            |
| 6      | Ultrasonography Machine        | As per clinical workload | Nil           |
| 7      | Crash Cart                     | As per clinical workload | 02            |
| 8      | Emergency Drug Tray            | 02                       | 04            |
| 9      | Defibrillator                  | As per clinical workload | 02            |
| 10     | Ventilator                     | As per clinical workload | 03            |
| 11     | X-rayUnit-(Mobile)&X-rayStatic | As per clinical workload | 03            |
| 12     | Minor OT                       | As per clinical workload | 01            |

**4. Central Clinical Laboratory: Total Area 707.88 \_\_\_\_sq.mt**

| Sr. No | Particulars        | Available |
|--------|--------------------|-----------|
| 1      | Hematology         | Available |
| 2      | Histopathology     | Available |
| 3      | Cytopathology      | Available |
| 4      | Clinical Pathology | Available |
| 5      | Serology           | Available |
| 6      | Bacteriology       | Available |
| 7      | Virology           | Available |
| 8      | Parasitology       | Available |
| 9      | Biochemistry       | Available |
| 10     | Any other          | Available |

**5. List of Instruments in CCL:**

| Sr. No. | Name of Instrument                                                   | Instrument Available in the Dept. | Functioning Status |
|---------|----------------------------------------------------------------------|-----------------------------------|--------------------|
| 1       | Weighing machine for cadavers                                        | Nil                               | —                  |
| 2       | Rotary Microtomes                                                    | 02                                | Functioning        |
| 3       | Freezing Microtome with a stand for carbondioxide cylinder,          | 01                                | Functioning        |
| 4       | Cryostat                                                             | 01                                | Functioning        |
| 5       | Hot plates                                                           | 02                                | Functioning        |
| 6       | Hot air ( 50 degree celsus ) for special staining                    | 02                                | Functioning        |
| 7       | Paraffin embedding bath (Ordinary )                                  | 02                                | Functioning        |
| 8       | Electric vacuum embedding baths<br>If Histo Knette is not available. | Histo-kinette<br>Available        | Functioning        |
| 9       | Autoclave electric                                                   | 01                                | Functioning        |
| 10      | Distilled water still                                                | 01                                | Functioning        |
| 11      | Water bath 57 Degree Celsius                                         | 01                                | Functioning        |
| 12      | Rectangular water bath                                               | 01                                | Functioning        |
| 13      | Centrifuge machine electric Rotofix                                  | 01                                | Functioning        |
| 14      | Colorimeter Photoelectric Klett                                      | 01                                | Functioning        |
| 15      | Cabinet for 1000 slides                                              | Available (06)                    | Functioning        |
| 16      | Band saw & Electric saw                                              | 01                                | Functioning        |
| 17      | Autopsy tables                                                       | 02                                | Functioning        |

**3. Summary of Teaching staff in the Department:**

| Sr. No. | Designation         | Required (As per the PG Medical Regulations 2000) | Available | Deficiency |
|---------|---------------------|---------------------------------------------------|-----------|------------|
| 1.      | Professor           | 1                                                 | 03        | Nil        |
| 2.      | Associate Professor | 5                                                 | 07        | Nil        |
| 3.      | Assistant Professor | 9                                                 | 09        | Nil        |
| 4.      | Senior Resident     | 5                                                 | 05        | Nil        |
| 5.      | Junior Resident     | 10                                                | 16        | Nil        |

**4. Summary of Recognized PG Teacher in the department:**

| Sr.No. | Designation         | Number of Recognized PG Teacher |
|--------|---------------------|---------------------------------|
| 1      | Professor           | 03                              |
| 2      | Associate Professor | 06                              |
| 3      | Assistant Professor | 01                              |

**5. Number of Units with beds in each unit:**

| Unit Number | Beds Available                 |
|-------------|--------------------------------|
| I           | 30 Beds [15 Male & 15 Female]  |
| II          | 30 Beds [15 Male & 15 Female]  |
| III         | 30 Beds [15 Male & 15 Female]  |
| IV          | 30 Beds [15 Male & 15 Female]  |
| Total       | 30 Beds [15 Male & 15 Female]  |
|             | 150 Beds [75 Male & 75 Female] |

**3. Summary of Teaching staff in the Department:**

| Sr. No. | Designation         | Required (As per the PG Medical Regulations 2000) | Available | Deficiency |
|---------|---------------------|---------------------------------------------------|-----------|------------|
| 1       | Professor           | 01                                                | 3         | Nil        |
| 2       | Associate Professor | 03                                                | 4         | Nil        |
| 3       | Assistant Professor | 05                                                | 5         | Nil        |
| 4       | Senior Resident     | 03                                                | 5         | Nil        |
| 5       | Junior Resident     | 06                                                | 8         | Nil        |

**4. Summary of Recognized PG Teacher in the department:**

| Sr.No. | Designation         | Number of Recognized PG Teacher |
|--------|---------------------|---------------------------------|
| 1      | Professor           | 02                              |
| 2      | Associate Professor | 04                              |
| 3      | Assistant Professor | --                              |

**5. Number of Units with beds in each unit:**

| Unit Number | Beds Available |
|-------------|----------------|
| I           | 30             |
| II          | 30             |
| III         | 30             |
| IV          |                |
| Total       | 90             |

**3. Summary of Teaching staff in the Department:**

| Sr. No. | Designation         | Required (As per the PG Medical Regulations 2000) | Available | Deficiency             |
|---------|---------------------|---------------------------------------------------|-----------|------------------------|
| 1       | Professor           | 1                                                 | 3         | Nil                    |
| 2       | Associate Professor | 3                                                 | 3         | Nil                    |
| 3       | Assistant Professor | 5                                                 | 4         | Compensate addl. Prof. |
| 4       | Senior Resident     | 3                                                 | 5         | Nil                    |
| 5       | Junior Resident     | 6                                                 | 18        | Nil                    |

**4. Summary of Recognized PG Teacher in the department:**

| Sr.No. | Designation         | Number of Recognized PG Teacher |
|--------|---------------------|---------------------------------|
| 1      | Professor           | 2                               |
| 2      | Associate Professor | 2                               |
| 3      | Assistant Professor | 1                               |

**5. Number of Units with beds in each unit:**

| Unit Number | Beds Available |
|-------------|----------------|
| I           | 30             |
| II          | 30             |
| III         | 30             |
| IV          | --             |
| Total       | 90             |

**6. Clinical work load of the Department:**

| Particulars                    | Average Daily for last month |
|--------------------------------|------------------------------|
| OPD attendance                 | 163.85                       |
| Total number of new admissions | 4.677                        |
| Bed Occupancy                  | 83.87                        |
| Major Surgeries                | 9.56                         |
| Minor Surgeries                | 20.19                        |

### Department Specific Information in the Hospital

Please fill in the information for the broad Specialities, where PG seats are available.

(For rest of the departments – Please mark as “Not Applicable”)

#### Department of Oto-Rhino-Laryngology

**1. Intake Capacity: Not Applicable**

| Course | Subject | Number of Recognized Seats | Number of Permitted Seats | Total Intake Capacity |
|--------|---------|----------------------------|---------------------------|-----------------------|
|        |         |                            |                           |                       |
|        |         |                            |                           |                       |
|        |         |                            |                           |                       |

**2. Total Teachers & Residents available in the Department:**

| Sr. No. | Name of the Teacher | Designation | MUHS Approved Designation | PG Teacher Recognition Status (Permanent/Temporary) | If temporary, Approval /Recognition granted till |
|---------|---------------------|-------------|---------------------------|-----------------------------------------------------|--------------------------------------------------|
|         |                     |             |                           |                                                     |                                                  |
|         |                     |             |                           |                                                     |                                                  |
|         |                     |             |                           |                                                     |                                                  |

**3. Summary of Teaching staff in the Department:**

| Sr. No. | Designation         | Required (As per the PG Medical Regulations 2000) | Available | Deficiency |
|---------|---------------------|---------------------------------------------------|-----------|------------|
| 1       | Professor           |                                                   |           |            |
| 2       | Associate Professor |                                                   |           |            |
| 3       | Assistant Professor |                                                   |           |            |
| 4       | Senior Resident     |                                                   |           |            |
| 5       | Junior Resident     |                                                   |           |            |

**4. Summary of Recognized PG Teacher in the department:**

| Sr.No. | Designation         | Number of Recognized PG Teacher |
|--------|---------------------|---------------------------------|
| 1      | Professor           |                                 |
| 2      | Associate Professor |                                 |
| 3      | Assistant Professor |                                 |

**5. Number of Units with beds in each unit:**

| Unit Number | Beds Available |
|-------------|----------------|
| I           |                |
| II          |                |
| III         |                |
| IV          |                |
| Total       |                |

**6. Clinical workload of the Department:**

| Particulars                    | Average Daily for last month |
|--------------------------------|------------------------------|
| OPD attendance                 |                              |
| Total number of new admissions |                              |
| Bed Occupancy                  |                              |
| Major Surgeries                |                              |
| Minor Surgeries                |                              |

**7. Publications in Index Journals in last year:**

(Please do not repeat publication details for same publication with multiple authors from same institute)

| Sr.No. | Title | Authors from the Institute | Departments of authors | Journal details | Journal indexed with which indexing agency |
|--------|-------|----------------------------|------------------------|-----------------|--------------------------------------------|
| 1      |       |                            |                        |                 |                                            |
| 2      |       |                            |                        |                 |                                            |
| 3      |       |                            |                        |                 |                                            |

**8. Academic activities(out come based):**

| Sr.No. | Activity          | Frequency |
|--------|-------------------|-----------|
| 1      | Seminar           |           |
| 2      | Journal Club      |           |
| 3      | Tutorials         |           |
| 4      | Case Presentation |           |
| 5      | Any Other         |           |

**9. Operation theatres:**

| Noof OTs | Central Oxy/ Nitrous OxideY/N | Anesthesia MachineY/N | Multipara Monitorwith Capnograph Y/N | Defibrillators Y/N | Infusion Pumps Y/N |
|----------|-------------------------------|-----------------------|--------------------------------------|--------------------|--------------------|
|          |                               |                       |                                      |                    |                    |

**10. Specialty clinics run by the department of ENT with number of patients in each:**

| NameoftheClinic    | Weekday/s | Timings | Number of cases (Avg) | Name of Clinic In-charge |
|--------------------|-----------|---------|-----------------------|--------------------------|
| 1)Otology related  |           |         |                       |                          |
| 2)Rhinitis related |           |         |                       |                          |
| 3)Cancer related   |           |         |                       |                          |
| 4)Any others       |           |         |                       |                          |

**11. ServicesprovidedbythedeptmentofENT:**

| Service                                                             | Availability |
|---------------------------------------------------------------------|--------------|
| 1)Speech therapy                                                    | Yes/No       |
| 2)Audiology services                                                | Yes/No       |
| 3)Hearingaid trials                                                 | Yes/No       |
| 4)Neonatal screening programs                                       | Yes/No       |
| 5)Speechand voice analysis/services                                 | Yes/No       |
| 6)Diagnostic Endoscopies–Nasal,larynx,Oesophagus.                   | Yes/No       |
| 7)Investigations–Nerveconduction,EMG,BERAetc.                       | Yes/No       |
| 8)Any other special diagnostic facility provided by the department. | Yes/No       |

4. Summary of Recognized PG Teacher in the department:

| Sr.No. | Designation         | Number of Recognized PG Teacher |
|--------|---------------------|---------------------------------|
| 1      | Professor           | 2                               |
| 2      | Associate Professor | 1                               |
| 3      | Assistant Professor | --                              |

5. Number of Units with beds in each unit:

| Unit Number | Beds Available |
|-------------|----------------|
| I           | 30 Beds        |
| II          | --             |
| III         | --             |
| IV          | --             |
| Total       | 30 Beds        |

6. Clinical work load of the Department:

| Particulars                    | Average Daily for last month |
|--------------------------------|------------------------------|
| OPD attendance                 | 130.11                       |
| Total number of new admissions | 10.09                        |
| Bed Occupancy                  | 83.43                        |
| Major Surgeries                | 9.29                         |
| Minor Surgeries                | 10.40                        |

### 3. Summary of Teaching staff in the Department:

| Sr. No. | Designation         | Required (As per the PG Medical Regulations 2000) | Available | Deficiency             |
|---------|---------------------|---------------------------------------------------|-----------|------------------------|
| 1       | Professor           | 1                                                 | 4         | Nil                    |
| 2       | Associate Professor | 4                                                 | 3         | Compensate addl. Prof. |
| 3       | Assistant Professor | 7                                                 | 6         | Compensate addl. Prof. |
| 4       | Senior Resident     | 4                                                 | 4         | Nil                    |
| 5       | Junior Resident     | 8                                                 | 10        | Nil                    |

### 4. Summary of Recognized PG Teacher in the department:

| Sr.No. | Designation         | Number of Recognized PG Teacher |
|--------|---------------------|---------------------------------|
| 1      | Professor           | 1                               |
| 2      | Associate Professor | 5                               |
| 3      | Assistant Professor | --                              |

### 5. Number of Units with beds in each unit:

| Unit Number | Beds Available |
|-------------|----------------|
| I           | 40             |
| II          | 30             |
| III         | 30             |
| IV          | --             |
| Total       | 100            |

### 6. Clinical work load of the Department:

| Particulars                    | Average Daily for last month |
|--------------------------------|------------------------------|
| OPD attendance                 | 210.37                       |
| Total number of new admissions | 9.29                         |
| Bed Occupancy                  | 74.83                        |
| Major Surgeries                | 6.41                         |
| Minor Surgeries                | 8.93                         |
| Normal deliveries              | 2.70                         |
| Caesarian deliveries           | 2.67                         |

8. Services provided by the department of Radio-Diagnosis:

| Services                                  |                                                                                                                                                                                                                                                                                                    |
|-------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Fluoroscopy based Radiographic Procedures | Barium Swallow, (b) Barium Meal Follow Through, (c) Barium Enema, (d) IVP, (e) H.S.G (f) M.C.U, (g) R.G.U (h) Fistulogram                                                                                                                                                                          |
| Interventional Procedures                 | Whole Body X-RAYS (EG. Chest, Skull, PNS, Foot, Hand, Abdomen, Shoulder, ARM, Elbow, Wrist, HIP, Spine, Knee,)                                                                                                                                                                                     |
| Mammography                               | BY / LAT Mammography                                                                                                                                                                                                                                                                               |
| Ultrasound                                | Neurosonogram, neck, (thyroid scan), chest, abdomen and pelvis, scrotum, upper, and lower, limb arterial and venous Doppler, renal doppler. 1 <sup>st</sup> and trimester anomaly scan, 3 <sup>rd</sup> trimester scan with Doppler.                                                               |
| Magnetic Resonance imaging ( MRI )        | Brain, brain angiography and venography, whole spine screening with detailing of cervical, dorsal and lumbar spine, shoulder joint, elbow joint, wrist joint, hand, hip joint, si joint, abdomen and pelvis with MRCP, knee joint, ankle joint, foot. (All the above scan plain and with contrast. |
| Computed tomography ( CT ) Scan           | Brain, brain with angiography, neck, thorax, abdomen and pelvis, upper limb and lower limb scan, urography, knee joint, ankle joint, pulmonary angiography. (All the above scan plain and with CONTRAST).                                                                                          |

9. Equipment: List of important equipment available and their functional status.

| Equipment                               | Numbers/functional status/comments |
|-----------------------------------------|------------------------------------|
| 1. X-Ray Machines                       | 13                                 |
| 2. Static machines with capacity        | 5 Functional status                |
| 3. Portable machines with capacity      | 6 Functional status                |
| 4. Machines with TV/Imaging facility    | 2 Functional status                |
| 5. CT Scan (Slices/year of manufacture) | 1 Functional status                |
| 6. MRI (Tesla/year of manufacture)      | 1 Functional status                |
| 7. Mammography facility                 | 1 Functional status                |
| 8. USG-Grey Scale                       |                                    |
| 9. USG-color Doppler                    | 7 Functional status                |
| 10. DSA                                 | 1 Functional status                |
| 11. PET Scan                            | 00                                 |
| 12. Any other equipment                 | CR Machine 02 DR Machine 01        |

10. Radiation Protection Measures being followed:

**Department Specific Information in the Hospital**  
Please fill in the information for the broad specialties, where PG seats are available.  
(For rest of the departments – Please mark as “Not Applicable”)

**Department of Anaesthesiology**

**1. Intake Capacity:03**

| Course             | Subject         | Number of Recognized Seats | Number of Permitted Seats | Total Intake Capacity |
|--------------------|-----------------|----------------------------|---------------------------|-----------------------|
| MD Anaesthesiology | Anaesthesiology | 01                         | 02                        | 03                    |
|                    |                 |                            |                           |                       |
|                    |                 |                            |                           |                       |

**2. Total Teachers & Residents available in the Department:**

| Sr. No. | Name of the Teacher | Designation         | MUHS Approved Designation | PG Teacher Recognition Status (Permanent/Temporary) | If temporary, Approval/ Recognition granted till |
|---------|---------------------|---------------------|---------------------------|-----------------------------------------------------|--------------------------------------------------|
| 1       | Dr. V. A. Patil     | Prof. & Head        | Professor                 | Temporary                                           | 01-10-2024 to 30-09-2026                         |
| 2       | Dr.S.S.Lawhale      | Professor           | Professor                 | Temporary                                           | 01-10-2024 to 30-09-2026                         |
| 3       | Dr.J.S. Ingle       | Associate Professor | Associate Professor       | Permanent                                           | 22-04-2011 to onwards                            |
| 4       | Dr. S. M. Mahure    | Associate Professor | Associate Professor       | Temporary                                           | 01-10-2024 to 30-09-2026                         |
| 5       | Dr. K.H.Agrawal     | Associate Professor | Associate Professor       | Temporary                                           | 01-10-2024 to 30-09-2025                         |
| 6       | Dr. M.V.Kokate      | Associate Professor | Assistant Professor       | Temporary                                           | 9.10.2023 to two year                            |
| 7       | Dr. M.G.Tambhake    | Assistant Professor | Assistant Professor       | Temporary                                           | 9.10.2023 to two year                            |
| 8       | Dr. N.A.Deshpande   | Assistant Professor | Assistant Professor       | Temporary                                           | 01-10-2024 to 30-09-2026                         |
| 9       | Dr. D.Y.Gotey       | Assistant Professor | Assistant Professor       | Temporary                                           | 9.10.2023 to two year                            |
| 10      | Dr. R.S.Jawanjal    | Assistant Professor | Assistant Professor       | Temporary                                           | 01-10-2024 to 30-09-2025                         |
| 11      | Dr.S.D.Dhakulkar    | Assistant Professor | -                         | -                                                   | -                                                |
| 12      | Dr. S.G.Nage        | Assistant Professor | -                         | -                                                   | -                                                |
| 13      | Dr. N.A.Rathi       | Assistant Professor | -                         | -                                                   | -                                                |
| 14      | Dr. A.D.Dhakulkar   | Senior Resident     | -                         | -                                                   | -                                                |
| 15      | Dr.R.M.Bhelkar      | Senior Resident     | -                         | -                                                   | -                                                |
| 16      | Dr. U.P.Bhojane     | Senior Resident     | -                         | -                                                   | -                                                |
| 17      | Dr. R.V.Chavhan     | Senior Resident     | -                         | -                                                   | -                                                |
